

Company Prospectus

Dayton Appliance Parts Co., founded in 1937, is a multi-line appliance parts distributor based in Dayton, OH. We have branches in Cincinnati, OH; Columbus, OH; Indianapolis, IN; Evansville, IN; Florence, KY; Huntington, WV and Charleston, WV.

Dayton Appliance Parts Co. is a leader in the industry, possessing a sound financial footing, strong management, and experienced personnel dedicated to providing our valued customers the best customer service available. We have been providing quality repair parts and supplies to the service industry for 75 years.

Company Information

- Our 12 locations have a combined 200,000 square feet of warehouse space. Many of our customers have multiple service professionals operating out of multiple locations all across the country. Our 12 branches service these customers seamlessly. Big or small, we are equipped to take care of all our customer's needs, efficiently and professionally. Our customers also have access to PartLinx, our on-line cataloging program, and to Servias, our on-line link to check real-time part pricing and availability. Combined, PartLinx and Servias allow our customers to get the information they need, when they need it, regardless of the time of day. During normal business hours, our parts experts are available to answer any question. Our technology and personnel resources allow Dayton Appliance Parts Co. - and our customers - to grow and prosper in an ever-changing business climate, and to successfully meet all new challenges and opportunities.

Eight Shipping Locations

- **Order Today** receive tomorrow. All in-stock orders placed by 4:00 pm receive same day shipping. Once an order is placed, our computer will e-mail an order confirmation to you. Later in the evening, after your order has been shipped, UPS will e-mail a shipping confirmation to you, containing the package's tracking number, number of packages shipped, and the date the package is scheduled to arrive. You always know the status of your order...this takes all the guesswork out of ordering from us.
